¹ Settlement Day lasts from 9.00 p.m. of the previous Trading Day to 9.00 p.m. of the current Trading Day (Astana time).

* The said clauses apply only to those Trading Accounts, for which CC is assigned as operator.

For **securities withdrawal** from Trading Account in Settlement Depository and securities transfer between Trading Accounts in Settlement Depository (operation with withdrawal type) (if securities being withdrawn must be used to fulfil the Clearing Member's obligations based on the clearing results), the Clearing Member must from To to 6.00 p.m. (Astana time) of the Settlement Day preceding the planned withdrawal date send a notification to CC in free form on planned withdrawal of securities accounted as Collateral Assets regarding withdrawal of the next Settlement Day containing information on the amount of securities being withdrawn. All notifications received by CC after 6.00 p.m. (Astana time) of the previous Settlement Day are accepted for processing during the next Settlement Day.

CC processes orders for securities crediting, withdrawal, and transfer within ten (10) business days. In connection with hostile actions of foreign countries and international organisations and subsequent sanctions regarding clearing members resulting in increased operational load on CC during clearing activities, time limits for operation fulfilment can be increased.

** If orders for **withdrawal of funds** comprising Collateral Assets for the amount of over USD three million (3 000 000)/ one million (1 000 000) euro are submitted to CC, the Clearing Member must from To to 4.00 p.m. (Astana time) of the Settlement Day preceding the scheduled withdrawal date send a notification to CC in free form on planned withdrawal of funds accounted as Collateral Assets containing information on the amount of funds being withdrawn. All notifications received by CC after 4.00 p.m. (Astana time) of the Settlement Day are accepted for processing during the next business day.

CC processes funds withdrawal within ten (10) business days from the date of receipt of the above mentioned notification (processing of notifications received after 4.00 p.m. (Astana time) of the Settlement Day commences from the next business day). In connection with hostile actions of foreign countries and international organisations and subsequent sanctions regarding clearing members resulting in increased operational load or actions preventing service provision by CC within the framework of clearing activities, time limits for operation fulfilment can be increased.

Time limits for processing of Clearing Member applications for replacement of the currency of funds accounted as Collateral Assets is up to five (5) business days.

Orders and other documents required for operations submitted to CC after the time indicated in this Time Schedule can be accepted by CC for processing and transferred to superior organisations for fulfilment during the next Settlement Day. Time limits for fulfilment of operations by superior organisations are defined by internal documents of the superior organisations.

All **other operations** aimed at transfer/ receipt of documents provisioned in the Clearing Rules, but not indicated in the above table, are transferred to CC and/ or provided by CC on weekdays from To to (Ts-1 hour).

CC processes documents confirming fulfilment of operations from Settlement Depository/ Settlement Organisation on the date of confirmation document receipt from Settlement Depository/ Settlement Organisation from To to (Ts-1 hour) unless otherwise provisioned in CC internal documents. All applications received by CC after 6.00 p.m. (Astana time) of the Settlement Day are accepted for processing during the next Settlement Day.

*** In connection with hostile actions of foreign countries and international organisations and subsequent sanctions regarding clearing members resulting in increased operational load and/ or actions preventing performance by CC of actions aimed at fulfilment of orders in course of clearing activities, time limits for operation fulfilment can be increased.

**** CC processes funds transfer within ten (10) business days from the date of receipt of the application (processing of applications received after 4.00 p.m. of the Settlement Day commences on the next business day. In connection with hostile actions of foreign countries and international organisations and subsequent sanctions regarding clearing members resulting in increased operational load on CC during clearing activities, time limits for operation fulfilment can be increased.
